

1 PART-TIME ART INSTRUCTOR, 1 PART TIME ASSISTANT ART INSTRUCTOR (2 OPENINGS)
Southern Exposure's Youth Advisory Board Job Description

Southern Exposure's nationally recognized Artists in Education (AIE) program brings together diverse youth, artists, schools and organizations in a dynamic series of innovative programs. AIE offers youth opportunities to learn critical, artistic, vocational, and cultural experiences beyond the traditional school environment. It also offers professional teaching opportunities for local emerging artists to become arts educators, extending their practice into the community. Sparking a dialogue on contemporary artistic practice and sociopolitical issues, AIE demonstrates the role of artists in society and reflects the conceptual thinking from our exhibition programs to provide new means of expression for youth. With the decrease of art taught in the public schools and the lack of positive, creative outlets for youth, AIE fills a crucial need in the community.

Southern Exposure is seeking **two Art Instructors: 1 PART-TIME ART INSTRUCTOR, 1 PART TIME ASSISTANT ART INSTRUCTOR** for its Youth Advisory Board program. YAB gives young people in the Mission District the opportunity to exercise leadership skills and participate in their community by exploring relevant social and personal issues through visual arts. Sponsored by Southern Exposure's Artists in Education Program, the program is in collaboration with Mission District community-based youth organizations. The program bridges neighborhoods and cultures by pairing local artists with teens.

Two Art instructors, along with Southern Exposure's Artist in Education Program Manager, will collaborate and teach approximately 15 teenagers this fall to produce a final art exhibition based on a socially relevant theme. Southern Exposure is designating its back gallery space for the duration of the class.
